## **CPNI Procedures**

*In mid 2015, SkyWerx began reselling Vitelity Inc., VOIP services on a beta program. Thus far we have 20 customers using the service. I, Jered Davis, am the only individual within our organization that has access to the online Vitelity customer management portal. Due to the lack of demand for VOIP service in this program, it is unlikely that additional staff will be provided with the credentials that would allow access to CPNI. I assure the commission that we are in compliance with the subpart.*
