**Re: In the Matter of Applications of Charter Communications, Inc., Time Warner Cable Inc., and Advance/Newhouse Partnership for Consent to Transfer Control of Licenses and Authorizations, MB Docket No. 15-149**

Dear Ms. Dortch:

On March 2, 2016, representatives of Charter Communications, Inc. ("Charter"), Time Warner Cable Inc. ("TWC"), and Advance/Newhouse Partnership ("Advance/Newhouse") (collectively, the "Applicants") met with the Commission staff copied at the bottom of this letter. Participating for Charter were: Catherine Bohigian, Executive Vice President, Government Affairs; Jay Rolls, Senior Vice President and Chief Technology Officer (by telephone), Alex Hoehn-Saric, Senior Vice President, Government Affairs; Christianna Barnhart, Vice President, Regulatory Affairs; and Audrey Connors, Manager, Government Affairs; and John Flynn and the undersigned of Jenner & Block. Participating for TWC were Steven Teplitz, Senior Vice President of Government Relations, and Matt Brill of Latham & Watkins. Steven Horvitz of Davis Wright Tremaine participated on behalf of Advance/Newhouse.

During the meeting, we discussed the substantial public interest benefits the Transaction will deliver to consumers. We also discussed New Charter's commitments, including providing settlement-free interconnection under its interconnection policy, broadband service without usage-based billing or data caps, and high-value broadband for eligible low income households and seniors.

Please contact me if you have any questions regarding these matters.

Sincerely,

/s/ Samuel L. Feder
