I watched RFD-TV on Verizon FIOS and want to complain about their decision to cancel good, quality programming like RFD-TV. It's important to us to be able to tune in to watch these independent networks that offer a good variety of shows that are also educational and informative. We're sick and tired of the same reruns shown on so many of Verizons channels, poor programming that insults our intelligence! What are we paying so much money for every month??!! Bring back RFD-TV!!!!!!
