

60001527728.txt

I watch RFD TV every day. It's my only link I have to rural America.
I watch on direct tv. It's the only voice that represents rural people.
It needs to be heard by all of America even in the city. THIS STATION NEEDS TO BE IN
EVERY BASIC TV PACKAGE AVAILABLE IN THE UNITED STATES OF AMERICA. Make sure everyone
has the ability to watch this channel.

Sincerely;
Joel James Durham
