RE: Appeal for Invoice Deadline Extension for FRN 2599597

(Entity 12140)

I'd like to appeal the decision to dismiss the request for an invoice deadline extension request for FRN 2599597 of 471 957082. Please note that our secretary who handles all E-rate related matters was out on maternity leave and therefore and some of the required paperwork got overlooks by mistake.

Thanks

Please let me know if you have any questions.
