Our routine review of Schools and Libraries Program (Program) funding commitments has revealed certain applications where funds were disbursed in violation of Program rules.

In order to be sure that no funds are used in violation of Program rules, the Universal Service Administrative Company (USAC) must now recover these improper disbursements. The purpose of this letter is to inform you of the recoveries as required by Program rules, and to give you an opportunity to appeal this decision. USAC has determined the applicant is responsible for all or some of the Program rule violations. Therefore, the applicant is responsible to repay all or some of the funds disbursed in error.

This is NOT a bill. The next step in the recovery of improperly disbursed funds process is for USAC to issue you a Demand Payment Letter. The balance of the debt will be due within 30 days of that letter. Failure to pay the debt within 30 days from the date of the Demand Payment Letter could result in interest, late payment fees, administrative charges and implementation of the "Red Light Rule." The FCC's Red Light Rule requires USAC to dismiss pending FCC Form 471 applications if the entity responsible for paying the outstanding debt has not paid the debt, or otherwise made satisfactory arrangements to pay the debt within 30 days of the notice provided by USAC. For more information on the Red Light Rule, please see "Red Light Frequently Asked Questions (FAQs)" posted on the FCC website at http://www.fcc.gov/debt_collection/faq.html.
