

My family watches RFD-HD on a regular basis including many many programs. We enjoy ALL the country music shows. We also enjoy Cowboy Church, cattle auctions, horse shows and the farm news.

We have Dish and a lower tier and if RFD-HD should be taken away we would certainly loose and lot of our TV enjoyment. Other than local news, we spend most of our TV watching RFD-HD.

Please listen to your TV viewers and not let the Media Giants have complete control.
