we are a rural family who enjoy watching the wholesome programs and rodeos, music, Larry's Country Diner, Joey and Rory (Joey just died of cancer and was a beautiful young woman with the voice of an angel. She and her husband represented the morals and Christian love this country needs to help families become more of a unit like they used to be. How can you even think of removing such programming from American TV

We watch it on DISH Heartland programming, and would not miss these programs. Also, Gentle Giants, a program about the showing of Draft Horses all over the USA is telecast. Cannot begin to express the loss this programming of RFD would be to our family. Please do not terminate this wonderful source of enjoyment from us. Thank you,
