Dear Mr. Wheeler,

The Charter Township of Fenton is in support of Charter Communications proposed merger with Time Warner Cable and acquisition of Bright House Network. The expansion will enhance networks, address additional customer needs and improve both the quality and affordability of their services.

Fenton Township has had the pleasure of Charter Communications providing cable, phone and internet services to our residents for many years. We look forward to the advantages the proposed merger would bring to our community. Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Bonnie K. Mathis". The signature is written in black ink and is positioned above the printed name and title.
