Re: Written Ex Parte Communication, MB Docket No. 13-249

Dear Ms. Dortch:

On March 7, 2016, David Layer and the undersigned of the National Association of Broadcasters, met with Peter Doyle, James Bradshaw, Tom Nessinger, and Son Nguyen of the Media Bureau's Audio Division, to discuss certain issues raised in the pending Further Notice of Proposed Rulemaking in the above-captioned proceeding.

Specifically, we sought further information about the proposal to change the daytime protections for AM Class B, C and D stations. We also considered whether requests and implementation should be managed through the Commission's minor modification process or some other mechanism.

Respectfully Submitted,
