**Re: Docket No. RM-11738
Notice of *Ex Parte* Presentation**

Dear Ms. Dortch:

On March 9, 2016, Noel Black, Vice President—Federal Regulatory Affairs for Southern Company Services, Inc. (“SCS”), Hannah Flint, Government Affairs Analyst for SCS, and their counsel, Sean B. Cunningham and Allen Estes of Balch & Bingham LLP, met in person with the Wireless Telecommunications Bureau (“WTB”) staff listed below (with the exception of Mr. Spann, who attended telephonically). We discussed the increasing importance of Advanced Metering Infrastructure to SCS operations, our concerns about potential interference with the system, and the challenges of evaluating pdvWireless, Inc.’s current proposal in this proceeding, all consistent with our previously filed comments in this proceeding.

This letter is being filed electronically in accordance with Section 1.1206(b) of the Commission’s Rules, 47 C.F.R. § 1.1206(b), for inclusion in the record in this proceeding. If you have any questions or correspondence regarding this letter or the meeting described herein, please do not hesitate to contact me.

Best,

x Sean B. Cunningham
