I watch RFD-TV on CenturyLink wireless cable and just recently, "this week" (03/07/2016---03/11/2016). I had been looking for RFD-TV for months! I am so excited to have been honored this week to enjoy the Channel 1476. There is so much knowledge about horsemanship, cattle, farming, weather, Soil conservation, education for the whole family about America and Our Heritage. I appreciate the opportunity to express my 'Gratitude'! THANK YOU FCC! This kind of knowledge will change my LIFE and for the BETTER.

Sincerely yours,  
Billy Ray Hudson jr.
