I watch TV on DISH.

I support independent TV, such as RFDTV, Weather Channel, etc.

I believe that anyone should be able to select only th TV channels they want, not have to accept and pay for whatever a TV provider wants to put in the package.

It is the American way, you can have whatever you are willing to pay for as long ans it is available.

Big Media has controlled it long enough, allow us to select individually the TV channels we want and that's all we pay for

Sincerely,

Ray Reeves

I watch RFD TV on DISH satellite. I have just completed watching it for 8 hours. We will probably watch it til bedtime. We are senoir citizens from a rural community and do not care for the violence in so many of the programs. If RFD TV is canceled I'll probably cancel DISH TV. Robert Carter ropinbo@yahoo.com

My husband and I watch RFD TV on DISH satellite...We are retired, living on limited incomes...We buy a less expensive TV package and pay extra to receive RFD TV...This monthly charge is a luxury for us...The more "youthful" programs are of little interest to us...I am a retired ICU nurse, have lived thru more challenging situations than any "reality" program...If I watch one more drug, murder, or care chase episode, I will gag...What is wrong with those people? Don't they have enough to do?...There is enough meanness in this world already...Not interested in inviting it into my
