Re: WC Docket Nos. 11-42, 09-197, 10-90

Dear Ms. Dortch:

On December 16, 2015 the following members of the Education & Libraries Networks Coalition met with Commissioner Jessica Rosenworcel and Travis Litman of her staff:

Corey Williams of the National Education Association
Reg Leichy representing the Consortium for School Networking
Jon Bernstein representing the International Society for Technology in Education
Marijke Visser and Kevin Maher of the American Library Association
Dale McDonald of the National Catholic Education Association
Greg Dolan of the US Conference of Catholic Bishops
Derrick Figures of the American Federation of Teachers

During the meeting, the group discussed possible changes to the Lifeline program, including issues surrounding transitioning the program to broadband and other efforts to close the homework gap, including the possibility of schools and libraries serving as vehicles to communicate the availability of Lifeline supports to eligible families.

Sincerely,

Jon Bernstein
President
