***Re: Special Access for Price Cap Local Exchange Carriers;
WC Docket No. 05-25, RM-10593***

Dear Ms. Dortch:

On March 10, 2016, Charles McKee and Chris Frentrup of Sprint Corporation (“Sprint”), Richard Metzger and Emily Daniels of Lawler, Metzger, Keeney & Logan, LLC, and Paul Margie and I of Harris, Wiltshire & Grannis LLP met with Pam Arluk, Eric Ralph, Christopher Koves, Thomas Parisi, William Layton, Joseph Price, Virginia Metallo, William Kehoe and Deena Shetler of the Wireline Competition Bureau regarding the above-captioned proceeding. Specifically, we explained that the comments, reply comments, and economic analyses submitted in this proceeding have established that the incumbent LECs have overwhelming market power in the special access services marketplace. Sprint also discussed the remedies that the Commission should consider in order to address the competitive harms that have arisen as a result of incumbent LEC dominance.

Pursuant to the Commission’s rules, this letter is being submitted for inclusion in the public record of the above-referenced proceedings.

Sincerely,

Jennifer Bagg
Counsel to Sprint Corporation
