The Honorable Tom Wheeler, Chairman  
Federal Communications Commission  
445 12th Street SW  
Washington, D.C. 20554

Dear Chairman Wheeler:

I want to express my opinion on keeping RFD-TV on the air. Rural America needs to have this show for updates in the market, and current trends happening in RURAL AMERICA. It's simple, make a ruling that RFD-TV needs to be carried on the Big 6 companies that provide cable to RURAL AMERICA.

Thank you for your time
