

60001534742.txt

Good Day,

We enjoy watching RFD-TV on Direct-TV daily. The quality of programming is exceptional for agri-business as well as other great entertainment. In our opinion RFD-TV acts in the public interest and as a public service regarding integrity of programming. Proceeding # 16-41 should be reviewed as an opportunity to EXPAND RFD-TV on both satellite & cable providers.
