Dear FCC; I watch RFD-TV on Dish and listen to RFD radio on Sirius. I'm a cattle rancher and western sports fan. Benefits I get are; market reports, rodeo results, cattle auctions, etc. I also appreciate all the education it provides to urban people so they can see where their food comes from and the great people who produce it. Please be sure that this great station (RFD-TV) is offered to everyone no matter who their cable or satellite provider is. Thanks, Clarie Telles
