I along with my family and many other patriotic, southern, conservative christians are getting real tired of the abuse of power by our government. It is time to stand up to big intrusive and abusive tyrant socialist (communist) government. The FCC should stand down and needs to be back in the hands of We The People or done away with. We are tired of the attack on rural americans, concervative talk radio, christian talk radio and tv stations. So we are asking and demanding for the FCC to leave RFDTV among all other issues and people alone. God Bless you all and all that you are doing to fight in this matter.
