I watch RFD TV on Comcast Cable [Infinity] I really like this station as it has very informative information, and good programming. I feel it is important to have this kind of programs on tv to help keep people living in the city knowledgeable about rural life. RFD TV has several programs I love and would be upset and unhappy if I could not receive this station I hope you will make sure RFD TV and rural programming are always on the air.

Thank you
Ural Harris
