i watch rfd-tv on time warner cable. this is the most important channel that i watch. i love it for the family friendly programs it has. i did not have cable until i heard about rfd-tv and some of its programs from eddie stubbs and marty stewart on wsm-am one night. after that i knew this was the station for my family. we love it and if we can,t get it we don,t need cable tv. thank you for listening to us.
