

In the original Form 471 I filed, I incorrectly stated the PRE-discounted monthly charge.

This is what I submitted:

A monthly discounted charge of \$15, 540 which is actually the quarterly cost for the four libraries.

I submitted a RAL but did the monthly total AFTER the discount for the correct three Libraries. (\$1036).

So, below shows the correct monthly rate pre-discount for the three Libraries.

Harlem	\$560 per month pre-discount
Euchee Creek	\$840 per month pre-discount
Evans	\$1160 per month pre-discount

**Pre-discount \$2590 per month \* 12 months = \$31,080**

For the Warren County Library, I submitted the discounted quarterly charge as the monthly rate. I submitted a RAL and submitted the DISCOUNTED monthly rate (\$673)

So, below show s the correct monthly rate pre-discount for Warren County:

Warren County \$1682.50 per month pre-discount

**Pre-discount \$1685.50 per month \* 12 months = \$20,226**
