

60001536336.txt

I watch RFD-TV on Dish and want to file a complaint against squeezing stations like RFD-TV off the air.

We need more independent programming like the wholesome programs, equine series and informative, fun shows RFD-TV provides. We can't get these anywhere else, and for RFD-TV to disappear from the air waves would be a disgrace. Please, please, please keep RFD-TV broadcasting!

Sincerely, C. Ron Mitchell
