Chairman Wheeler,

I'm writing to urge you to restore broadband competition by fixing the broken market for high-capacity broadband lines. The FCC must address anti-competitive behavior in this market to reach its goal of delivering better, faster, cheaper broadband to all Americans. The future of our information economy depends on it.

Do not let ISP's STEAL the speeds we pay for by slowing our access to web providers that can not or will not pay higher fees. Paul Vignoli Jr
