

60001536649.txt

THIS CORRESPONDENCE IS TO VOICE MY EXTREME OBJECTION TO THE REMOVAL OF ANY RURAL
BASED RADIO OR TV CHANNEL - ESPECIALLY
R F D.

1. IF IT WERE NOT FOR DEDICATED FARMERS AND RANCHERS WHERE WOULD THE ARMED SERVICES
GET WOOL -- COTTON FOR UNIFORMS AND OTHER NECESSITIES?
2. MANUFACTURERS OF AUTOMOBILES -- STEEL WORKERS--THE BUILDING TRADE WANT BEE,
MUTTON AND PORK FOR A FILLING MEAL. FOOD AND CLOTHING ARE A "MUST FOR THESE HARD
WORKING MEN AND WOMEN.
3. FOOD AND CLOTHING ARE AN IMPORTANT CONSIDERATION FOR UNEMPLOYED WORKERS OR HIGH
SCHOOL GRADUATES ENTERING THE SERVICES OR THE WORK DAY WORLD.
5. FISHERMEN FROM OUR COASTAL WATERS CATCH --GROW--AND GIVE THE WORLD HEALTHY FRESH
FOOD.
6. WHERE WILL THE EDUCATED DEDICATED FARMER OR RANCHER FIND NEWS --OR EXHIBITION OF
CURRENT MODELS OF MACHINERY --VETERINARIANS EXHIBIT NEW MEDICINES TO SAVE HERDS OR
WHERE WILL ONE FIND MARKETS FOR TRADING OR BUYING. T.V. AND RADIO STATIONS SUPPLY US
WITH THE NECESSARY INFORMATION WE NEED TO KEEP THIS THE "BEST GOD FERARING" NATION
IN THE WORLD.

THE NEXT TIME YOU ORDER A RIB-EVE STEAK 'REMEMBEER WHERE IT CAME FROM".
