Dear RFD-TV

I am a faithful viewer of RFD-TV. I thoroughly enjoy the wonderful programming you provide, especially the entertainment and machinery shows. I am a lifetime subscriber to the RFD-TV magazine which shows how much I enjoy your programming! I have direct tv and if they ever decide not to carry your station, I would definitely look for another carrier. shame to verizon on their decision. God bless you for all your efforts and dedication.

Respectfully
