To Whom it may concern:

My name is Marjorie Buckwalte. My husband and I live in rural Pa. WE get RFD programming from Direct T.V.

One Sat. night about 6 months I was going through all the channels and got the Marty Stuart Show on. RFD TV has such beautiful music on Sat. Fri. and Sun. We became regular viewers of R.F.D. TV, watching it about 60% of our viewing time. My husband enjoys the horses and tractors.

I feel rural people should have at least one channel that appeals to them. Farm families feel it is very helpful to them. Anything that helps the farmers of America is very good. They feed our country and help feed the world also. Our dinner tables would be very meager without the tremendous job they do. I sincerely hope the FCC will help get RFD TV back to all the people who enjoyed their programming.

Sincerely yours,
Marjorie Buckwalte
