Independent Channel Denied Access to Gateways Unfair Obstacles and Hoops to Jump Through - Freedom of speech is being hampered by greedy telecommunication companies. I thought we were guaranteed free flow of ideas/concepts/communication between people. Do we not fall under freedom of press, equal opportunities, free enterprise? Or is it only for the rich corporations. ATT/Dish/Comcast/Direct TV and especially Verizon has no legitimate reason for dropping RFD weather channel hunting show local channels like WHAS WAVE. They are bullying the little man. What an outrage
