FCC
c/o RFD-TV
49 Music Square West
Nashville, TN 37203

Attention Patrick Gottsch; #16-41

We are writing regarding your concern to remove RFDTV from the air. We are senior citizens who enjoy RFDTV programming and watch it regularly. As retired farmers and who regularly watch your programming we do not wish to have this discontinued. We need programs for us and do not care for the newer programs. We watch this on Dish TV. We pay extra for this in a package Heartland in order to get this.
