Dear FCC - 16-41

I am a 74 yr old man and I watch RFD-TV on Medco Cable. I like their channel because of the things I like being a farm guy at heart I like the wheather C Darnel Mollie B, Polka, Rodeo Hee Haw, Ag program. Ag programs, cattle programs & just plain rural America. There is no other channel that gives that kind of coverage as RFD-TV. Please do not take is off the Air cause I watch RFD-TV. about 80% of the time I watch T.V.
Getting back to RFD-TV, it also has a lot of senior citizens terms on it. It sure would be asame if and endendent channel like RFD-TV be taken off the Air. Please this in consideration to this. If RFD-TV were to go off the air I don't know if I would even subscribe to TV.
Thank you very much
