

60001536829.txt

This letter is in regard to removing RFD-TV from the airwaves. Please leave on the air. I am a senior citizen and watch several programs on this channel. It would be a shame to remove them. I don't know of any other programs you could put on in place of RFD-TV that are interesting and entertainment. Please leave on the air. I watch on Charter Cable. Thank you.
