Re: In the Matter of Applications of Charter Communications, Inc., Time Warner Cable Inc., and Advance/Newhouse Partnership for Consent to Transfer Control of Licenses and Authorizations, MB Docket No. 15-149

Dear Ms. Dortch:

On March 17, 2016, representatives of Charter Communications, Inc. (“Charter”), Time Warner Cable Inc. (“TWC”), and Advance/Newhouse Partnership (“Advance/Newhouse”) (collectively, the “Applicants”) met with Federal Communications Commission (“Commission”) staff copied at the bottom of this letter. Participating for Charter were: Catherine Bohigian, Executive Vice President, Government Affairs; Alex Hoehn-Saric, Senior Vice President, Government Affairs; Christianna Barnhart, Vice President, Regulatory Affairs; and Audrey Connors, Manager, Government Affairs; and Sam Feder, David Wishnick, and the undersigned of Jenner & Block. Also participating were Matt Brill of Latham & Watkins and Steven Teplitz, Senior Vice President, Government Relations, for TWC; and Steven Horvitz of Davis Wright Tremaine on behalf of Advance/Newhouse.

During the meeting, representatives for the Applicants discussed the public interest benefits the transaction will deliver to consumers. We also discussed New Charter’s commitments, including the provision of broadband service for eligible low-income households and seniors, settlement-free interconnection under the company’s interconnection policy, and broadband service without usage-based pricing or data caps.
