I am the owner of WARR- 1520AM in Warrenton, North Carolina: Facility ID: 31897. The Buffalo Station 1520 FM airways does not give WARR 1520 AM the opportunity to serve a small town and surrounding areas especially the youth in community to air events in the evening. What an impact and a difference it would make to help keep young people minds occupied to listen to their games being aired! Also, the older community that are not able to get out to games and other competitions can listen. We would appreciate being allowed to stay on air until 10:00pm. Thanking you in advance for this consideration.
