Cc Docket No.02-6

Windsor Northwest Supervisory Union respectfully requests an appeal of the USAC decision. The FCC Form 472 Number 2257441 was denied because the Service Provider did not certify the Form online prior to 10/28/2015. I understand that it is the applicant's responsibility to ensure that all blocks of FCC Form 472 are submitted in a timely manner. However the Form 472 Number 2257441 was submitted on 10/5/2015. The status of Form 472 Number 2257441 showed complete. Complete does not indicate that the Form was accidentally cancelled by the Service Provider by going directly to block 4.

The Form 472 (BEAR) Notification Letter was dated October 28, 2015 (the last day to submit an invoice to USAC) with a zero reimbursement. A request for an invoice Filing Extension was submitted to USAC. Please see attached email where the Service Provider states that he intended to certify the Form.

Please contact me with any questions or concerns.

Thank you for your consideration.
