I watch RFDTV on Direct-tv in Baytown Texas. I came upon this channel several years ago and have loved it ever since. While not living in a rural area, I totally enjoy the well produced programs on this channel. Watching everything from the Ag reports to Joey and Rory show and all the country style of music and family entertainment. I'm asking for myself and a lot of my friends who also watch RFD for you to reconsider your changes to RFD broadcasting. Thank you.
