

60001542344.txt

Dear FCC,

We watch RFDTV on DirecTV channel 345. Having a rural and agriculture channel dedicated to us in rural Arizona is very important to our way of life, lifestyle and income.

The FCC is the control party to keeping RFDTV on our network.

Please do your job and settle this issue permanently once and for all in favor of us the rural public.

Please expedite!

Sincerely,

Stan Turner
