Washington, DC 20554

**Re: Amendment of Parts 1 and 22 of the Commission's Rules with Regard to the Cellular Service, Including Changes in Licensing of Unserved Areas, WT Docket No. 12-40.**

Dear Ms. Dortch:

On March 17, 2016, Scott Townley, Leora Hochstein and Andy Lachance of Verizon met with Jean Kiddoo, Roger Noel, Lloyd Coward, Thomas Derenge (by phone), Nina Shafran, Moslem Sawez, Wayne Leighton (by phone) and Keith Harper of the FCC's Wireless Bureau, and David Furth, Michael Wilhelm, and Brian Marengo of the Public Safety and Homeland Security Bureau, to discuss issues raised in the above-captioned proceeding. We discussed ways that the Commission can adopt power spectral density limits for the cellular band while addressing the notice concerns raised by public safety entities in the proceeding.

This letter is being filed pursuant to Section 1.1206 of the Commission's Rules. Should you have any questions, please contact the undersigned.

Sincerely,

A handwritten signature in cursive script that reads "Andre J. Lachance".
