This request for review is filed for Erate Funding Year 2015-2016: July 1, 2015 - June 30, 2016, for Madison-Virgil School District 386.

Billed Entity Name	Madison-Virgil School District 386
Billed Entity Number	137771
Form 471 Application Number	1019164
Funding Year	2015 (July 1, 2015 – June 30, 2016)

Summary of Appeal:

An application was submitted on behalf of USD 386, Madison-Virgil (Form 471 1019164). I work as a consultant for several school districts and rely on the school district to provide the actual pre-discounted dollar amount for services received. I received the amount requested for each FRN, but due to a mistake/mistrial/clerical error the amounts were reversed for FRNs 2772788 and 2772810. FRN 2772788 should have been for \$14,370.48 and FRN 2772810 should have been for \$2,429.52. An appeal was filed on July 15, 2015, electronically, but as you can see from the attached documentation, the appeal was never received. Per recommendations from the Schools and Libraries, web-site, I re-submitted my initial letter of appeal. Since the date was outside the 60 day window, my appeal was denied.

I have no electronic documentation (other than the email I have attached to the service provider) that indicates this appeal was received. I am requesting that you take into consideration my appeal request.

Thank you for your review of this appeal. If you have further questions or desire additional information, please do not hesitate to contact me.
