I realized recently that I did not file Form 472 for reimbursement for several months of FY2014 (April - June). The King's Academy's BEN is 16060823. There are two FRNs for FY2014 - 2702805 and 2703026. I would like to submit an appeal to allow submission of Form 472 for these three months. Thank you for your consideration.
