**Re: Notice of *Ex Parte* presentation  
WC Docket No. 11-42, 09-197 and 10-90**

Dear Ms. Dortch:

On Monday, March 21, 2016, Keith Krueger of the Coalition of School Networking (CoSN), Larra Clark of the Office of Information Technology Policy (OITP) with the American Library Association (ALA), and the undersigned met with Gigi Sohn, Jay Schwartz, Eric Feigenbaum and Stephanie Weiner of the Chairman's Office to discuss the attached *ex parte* filing previously submitted to the FCC in the above-referenced dockets. We discussed our support for the inclusion of broadband service in the Lifeline program and discussed ways that anchor institutions such as schools and libraries could help to promote broadband adoption and the "homework gap."

Sincerely,

John Windhausen, Jr.
