

60001549143.txt

Our carrier is Dish we depend on RFD for our cattle operation. We watch the market each and every day to see the movement in the world of the cattle. We are trying to pay off a medical bill. And can only do this through the cattle and RFD programs help me know that I have made the correct decision. How can you allow just a few people decide what I can receive? This is outrageous. Wonder why the maverick political candidate is doing well
