

60001549594.txt

I am writing this to keep RFD on the air. We mostly watch RFD because we like the farm shows. The good music & all the rest. The older even get more. We need RFD because we are farmers. Everything on this channel is cheerful. We need RFD. We would not need the sports channels. This is important to us. RFD. We have HBC TV.  
Thanks
