RE: Lifeline and Link Up Reform and Modernization, WC Docket No. 11-42; Telecommunications Carriers Eligible for Universal Service Support, WC Docket No. 09-197; Connect America Fund, WC Docket No. 10-90

Dear Ms. Dortch:

On Tuesday, March 22, 2016, Jonathan Banks and I of USTelecom had a phone conference with Amy Bender, Legal Advisor to Commissioner O’Rielly to discuss the above referenced proceeding.¹ Referencing USTelecom’s comments in this proceeding,² we identified ways for the FCC to make the Lifeline program more effective and efficient. In addition to discussing the framework for designating broadband providers as Lifeline eligible, we also discussed the geographic scope of their Lifeline obligations once they receive such a designation. We also discussed the issues raised by USTelecom in its March 4, 2016 filing in this proceeding.³

Pursuant to Commission rules, please include this ex parte letter in the above-identified proceedings.

Sincerely yours,

A handwritten signature in blue ink that reads "Kevin G. Rupy".
