Cable - Suddenlink

We love RFDTV, such a breath of fresh air from all the violence on the major networks. The end of December 2015, we went to mission, Texas to stay 2 months, as we usually do. I asked Time Warner Cable about RFDTV, some sports channels - oh yes all the stations you want, programs etc - No we didn't have RFD so next year we will do something else, not using them. We were not happy campers.

We watch Red Steagel, somewhere West of Wall Street, Texas Country Reporter, Marty Stuart Show, Hee Haw, Joey & Rory Show, California Bountiful, American Heartland, Gaither Gospel, Penny Gilley Show, Larry's country Diner, Pop Goes the Country, Porter Wagoner show, Nashville on the Road, Postcards from Nebraska, Tru Country, The American Rancher, Joey Canyon Show, Ray Stevens, Midwest Country. Presley's. We also enjoy The Dairy Shows, FFA Convention, Baxter Black and sometimes we watch The Weather - I'm sure I've missed some show, but you see even though we don't live on a farm we like to hear & see about what the farmers are doing - They put food on our table & we appreciate them.

Sincerely,  
Jim & Alice Lytle
