I (we) watch RFD TV on Direct TV satellite system. I am writing on behalf of my elderly mother (at this address) who can find very little decent (non-swearing, non-violent, modest dressed people) programming out of 500 plus channels. She (and I) watch RFD TV because of their quality programming and she especially enjoys the Polka Shows. Hope you can find it in your heart and soul to allow old fashioned values a place on the television screen. God knows there's enough of the other &\$@# on there. Thank you. Mark Fischer
