This is my second letter. Please listen. i am 86 years old and want to keep RFD-TV on the air. It's my only entertainment. Can't drive (home body) and look forward to my country music. If you take it away I don't know what I would watch on TV. There's a lot of Jank and Repeats. I enjoy country music (1) hundred %. Please, keep it on the air. Think about it. Lool forward seeing more. Stop and think. I want to keep it. May God bless you all.
