Re: In the Matter of Applications of Charter Communications, Inc., Time Warner Cable Inc., and Advance/Newhouse Partnership for Consent to Transfer Control of Licenses and Authorizations, MB Docket No. 15-149

Dear Ms. Dortch:

On March 23, 2016, representatives of Charter Communications, Inc. ("Charter") met telephonically with the Commission staff copied at the bottom of this letter. Participating for Charter were: Catherine Bohigian, Executive Vice President, Government Affairs, and Alex Hoehn-Saric, Senior Vice President, Government Affairs; and Leah Tulin and the undersigned of Jenner & Block.

During the meeting, representatives for Charter discussed the public interest benefits the transaction will deliver to consumers. We also discussed New Charter's commitments, including settlement-free interconnection under the company's interconnection policy, CableCARD support, broadband service without usage-based pricing or data caps, and how the Commission could enforce these commitments.

Please contact me if you have any questions regarding these matters.

Sincerely,

/s/ Samuel L. Feder
