Re: MB Docket No. 13-249, "In the Matter of Revitalization of the  
AM Radio Service"

Dear Mr. Chairman,

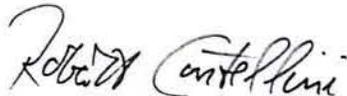

I'm writing out of concern about recent reports that the FCC is  
considering new rules that might cause interference on AM radio.

Thousands of our loyal fans rely on AM radio to access Reds baseball  
games. In fact, our flagship station WLW-AM in Cincinnati carries our  
games on its signal to Reds fans throughout Ohio and beyond. For many  
Reds fans, WLW is their only access to play-by-play coverage.

Over 60 AM stations carry the Reds. These potential changes could impact  
the entire Reds Radio Network.

I hope the FCC will reject any proposal that will deny our fans access to  
the games they want to hear.

Respectfully,

Robert H. Castellini  
President and CEO, Cincinnati Reds
