

60001553411.txt

I watch RFD TV on Direct TV. I live on a ranch and raise Tennessee Walking Horses. I am an avid trail rider along with my daughter, two grandsons, and my neighbors. I pay for an extended viewing package just to get RFD TV. If this channel is no longer available, I will change TV provider or drop down to a basic package. I think it is discrimination if rural families are denied programming!
