I'm writing in support of RFD-TV and RFD-HD Rural Independent programming that I watch on Mediacom Cable Company. Please don't take these stations off the air as they are the only decent programs to watch on TV. Most of the reality shows are ridiculous and the sit-coms are nothing but trash.

I am almost 80 years old and enjoy the Country, Bluegrass and Polka music shows especially. I live in a farm community and I'm sure farmers gain knowledge from the farm shows. Also there is a Community College in our town which offers an Equine Course, and I'm sure the people involved in that enjoy seeing the Equine shows. There are many different programs on RFD and RFD-HD that appeal to people from all walks of life. Some nights there is nothing decent to watch on other channels, but I can depend on RFD-TV to have good clean family oriented programming.

Please leave these stations on the air so I can continue to watch this fine programming for many years to come.

Sincerely,  
Ruth Cook
